Wired, Pay at the Counter Solutions

Vx570: High-Speed Power

Ethernet and dial connectivity, together in one compact package. Enjoy the convenience of plugging the Vx570 in to your router, using your existing high-speed Internet access. Or, utilize dial-up service as a backup if the situation requires it.

Vx510: Dial-up Convenience

A compact, dial-only, point-of-sale terminal ideal for businesses needing support for credit and debit payments, as well as Chase Paymenttech gift cards.

NBS 5600: Long-Range Wireless Power

A high-speed, highly-portable terminal, perfect to take to fairs and trade shows. Featuring national wireless service and a fixed monthly rental rate which includes communications fees, merchants can enjoy reliable, nationwide connectivity on-the-go.

Features:

- Sleek, stylish and powerful terminals
- Internal PINpad functionality option and compact design with whisper-quiet integrated thermal printer saves counter space
- High-speed thermal printer that features drop-in paper loading virtually eliminates paper jams
- Processes all major credit cards, debit, gift cards, Visa and Mastercard chip and pin, MasterCard QPS and Visa NSR

Gift Card Program Incredibly Easy. Immediate Benefits.

Why your business should offer gift cards

- Increase sales: 53% of card users often or always spend more than the amount originally loaded onto their cards. They are also most likely to redeem their cards over two visits, increasing store traffic and the potential for sales over the value of the card.
- Increase visibility: Gift cards are a great way to promote your business to new customers, while increasing existing customer loyalty

The Chase Paymenttech Gift Card Advantage

- Month-to-month, no commitment programs available
- Design your own card design to reflect your business and style, or choose from one of our attractive card designs - complete with presenters and envelopes
- Unlimited gift card transactions starting at only \$10.95 per month

Start your gift card program today with as little as 100 cards!

A Complete Card Not Present Payment Solution

Accept Credit Cards Over the Phone with Touch Tone Capture (TTC)

All you need is a touchtone phone!

- Call the 1-800 TTC number and enter the transaction details on your keypad
- At the end of the day, TTC electronically deposits all approved transactions into your account

Complete Internet Commerce Solutions

Easily and securely process credit card payments from your customers.

Orbital

Process transactions from any PC, authorize, capture and encrypt customer payment information and accept recurring payments to streamline your billing.

Web Payment Plug-in

Accept secure online payments directly on your Ecommerce enabled web site, and access everything you need from secure transaction processing to valuable management tools.
