## OCC Jewellery Feature: August – December, 2010

*Submission Deadline: June 25<sup>th</sup>, 2010, 5:00 p.m.*

Located on the back wall of the OCC gallery, the *Jewellery Feature* display case has been showing member work since 2008, and this year we are programming to further support our regional initiative, *Growing Ontario's Craft Community*. For the upcoming months of August through to December, 2010, Southwestern and Northern region jewelers will have the opportunity to display their work. See the following for more information, and for any questions please contact Valerie McLean at [vmclean@craft.on.ca](mailto:vmclean@craft.on.ca) or 416-925-4222 ext 221.

*There is NO ENTRY FEE, but please note that all accepted applicants will be required to have an active OCC Craft Professional Membership. To find out more about membership benefits see [www.craft.on.ca/Join/Individual\\_And\\_Organization\\_Memberships\\_](http://www.craft.on.ca/Join/Individual_And_Organization_Memberships_).*

### Submission Requirements:

- 1) Applicants must live in either Southwestern or Northern Ontario.
- 2) Submissions should be of high quality craftsmanship, representing hand-made materials. Work consisting primarily of assembled purchased materials will not be considered by the jury.
- 3) A completed entry form (pg.2) with a current CV, an artist statement of up to 75 words and a maximum of 6 images (including detail shots). Please save the text documents and digital images onto a CD. Digital images must be 300 dpi with minimum dimensions of 5 inches x 7 inches, and in JPEG or TIFF file formats. Save your image files using the following system: *firstname\_lastname\_01.jpg*. For example: *Jane\_Smith\_01.jpg*, *Jane\_Smith\_02.jpg*, etc.
- 4) An installation design proposal. It is up to the artist to design a creative layout for displaying their work within the *Jewellery Feature* space. If you cannot visit the gallery to install your work, you must provide specific instructions/and or supply materials for the installation. The jewellery case hangs on the wall and has a ½" thick white felt back for hanging (works as a pinning surface if needed). All sides are glass and there are two sliding glass doors on the front (overlapping in the middle by 1"). The overall dimensions are 46" wide x 9 ½" deep x 32 ½" in height. Be creative with your layout plan. Consider the background, the depth, and colour(s) that will offer the best presentation of your work. Your proposal for layout will be considered in the jurying process along with the technical skill and merit of your work. If you would like to see photos of the space, please contact Valerie McLean at [vmclean@craft.on.ca](mailto:vmclean@craft.on.ca).
- 5) Submissions must be mailed to the OCC offices at the following address: Attn: Valerie McLean, Ontario Crafts Council, 990 Queen St. W., Toronto, ON, M6J 1H1. *The OCC does not take responsibility for shipping costs. If you plan to post your installation, please keep this in mind when you are considering your proposal.*
